c/s Phuket Airpark Traffic 122.300 (if no reply, transmit blind)

Phuket Approach 124.700 Phuket Tower 118.100

Rwy	Dim (mtr)	Surface	TORA (mtr)	LDA (mtr)	Lighting
13/31	500 x 18	Grass	13-600 31-500	13-530 31-600	None None

Operating hours: 09:00 – 18:00 daily **Circuit/Pattern height:** 800 feet to the south only

Cautions: Call 0649262555 for a pre-arrival briefing. Join overhead at 1200 feet. Use short field takeoff and landing procedures for both 13 and 31. Runway slopes 0.5 degrees toward the east. Beware of downwash from the hills to the west if landing 13 or departing 31. If arriving from the north, contact Phuket Approach at 60 miles out. Do not cross Phuket International Airport runway without prior permission. You must be in communication with Phuket Approach (124.700) or Phuket Tower (118.100).

Obstacles: Tall power lines (80ft) to west and tall trees (180ft) to east of airfield.
